MOUNT ST. MARY'S WELCOMES BACK

MAYA ANGELOU

on HORIZONS DAY 1990!

Four years ago when **MAYA ANGELOU** spoke on campus, she held her audience spellbound. Students, faculty and guests who filled the room to overflowing were caught up in the dark, rich voice that wove together poetry, personal history, drama, and song. Her message was a celebration of the strength and dignity of black women, of women in general, and of human-kind. She charmed her audience with the magic of her storytelling, the warmth of her personality and the enormous scope of her intellect.

Hear her again on **HORIZONS DAY '90**, Thursday, September 27 from 1:10 - 2:40 p.m. on the Chalon Campus, Campus Center.

In order that all students may participate in this important All-College event, classes on the Doheny Campus will be canceled between 11:00 a.m. and 4:00 p.m. Transportation will be provided to the Chalon Campus. A SIGN-UP SHEET is posted in the Student Activities Office in Bldg. 7 for anyone interested in riding the ASB chartered bus or the shuttle to Horizons Day program. For more information, please contact **Maria Lyons**, Ext. 2151.

Lunch, served from 11:30 a.m. to 1:00 p.m., will be free for all students, faculty and staff in attendance.

We hope to see you all at this very special event!

FROM STUDENT SERVICES:USC HEALTH SERVICES:

One of the services which Doheny provides, and you have paid for, is the use of the USC Health and Counseling Services. Many services (practitioner visits, x-rays, some lab work, physical therapy, health education, counseling, etc.) are covered by the fees you have already paid this semester. A few items (some lab work which has to be sent out, pharmacy prescriptions) are available at minimal cost. All you have to do is visit their Center and show your MSMC I.D. card.

If you have any questions or wish a copy of their information sheet, please come by Office #4, Bldg. 7.

Be sure to use this service--it is a good one and already paid for!

I.D. CARDS:

LAST CHANCE! If you have not received your I.D. card for the semester, this is the last week to do so. Come by Office #4, Bldg. 7 for your picture. Remember: this is a necessary item to carry with you for identification on campus and off. Get yours today!

FROM FOOD SERVICE:

TO ALL DOHENY STUDENTS:

A big **THANK YOU!** from the Food Service Manager and his staff for your excellent conduct in the dining areas. I have noticed how thoughtful you are, and, in particular, I appreciate your not removing the dishes and silverware. Our new patio is looking as attractive after meals as it does before.

Once again, **THANKS!**--and please feel free to talk to me if you have any concerns or suggestions.

--Michael Smith, Food Service Manager

FROM THE ARCHIVES OFFICE:

In order that your area's activities for this 1990-1991 year can be preserved as part of the history of the College, please send two copies of any event/activity to the Archives, Box 59, Chalon Campus.

If your office contains any other materials/records no longer needed, but useful as part of the historical development of the College, we would appreciate your sending these items as well.

CAMPUS MINISTRY MEETING:

Campus Ministry welcomes all students to attend a meeting on Thursday night, October 11, 7:30 p.m., Bldg. 7, 3rd Floor. We invite you to participate in Campus Ministry, and encourage you to come to this meeting. This week's meeting will begin with prayer, and then we will be planning for the Halloween Haunted Campus. Please come...and bring a friend.

HALLOWEEN HAUNTED CAMPUS:

Our annual Halloween event is just around the corner! Start making plans now to join the fun. On Halloween Night our Doheny Campus becomes a "Haunted" Campus! Mark your calendars *NOW!* Many of the children in our neighborhood are unable to "trick or treat" because of the many dangers/risks that are present here. We invite these young children to come to our campus and enjoy a safe and fun Halloween. The children walk from house to house and "trick or treat" and play games along the way. It takes the involvement of all of the students, faculty and staff to make this a success. Last year over 600 children haunted our campus!

Please start picking up an extra bag of candy as you go through the grocery store. It is also time to start "brewing" some plans for decorating the houses/buildings, and creating games for the little ghosts and goblins to play along the way.

NOTE: This Halloween event will be filmed this year by the Charles Kuralt Show. They will be focusing on students giving service to the community.

FROM THE EDUCATION DEPARTMENT:

PI CHI EPSILON (E.C.E.)

The next meeting will be on Wednesday, October 10, at 2:20 p.m., in Bldg. 17, the Child Development Center. We will be discussing upcoming events and appointing a chairperson for each committee. *Don't miss it!*

Several staff members of the Child Development Center are to be presenters at the Fall Workshop of the Southern California Association for the Education of Young Children on November 3, at Los Angeles Valley College. At the suggestion and instigation of the staff, two workshops will be presented in Spanish--a first for this organization. Genie Sabado and Liz Rios will present "Arte Divertido con COASA del Hogar" and Teresa Trujillo will present "Actividades del Momento de Circulo en Español." Walter Draude will present two sessions: "Developing an AIDS/HIV Policy for Your Center," and "Sexual Preference, Pride and Professionalism." Director Anne Broussard will also conduct sessions titled "Creating Teaching Teams" and "We Love, We Care, We Share--Too Much?".

Walter Draude will also be a panel member in a discussion "Ninja Turtles--Yes or No?" at the J.P.L. Child Education Center on October 9, arguing for the presence of Ninja Turtles in the classroom.

WORK STUDY CLARIFICATION:

There have been some misconceptions about what a work-study job means. A work-study job is on-campus employment that does not require travel off-campus (i.e. a car). As a Mount student, you are working for a department on campus, gaining valuable experience and learning about the department for which you work. You receive a paycheck every two weeks for your services, and this paycheck may help pay your bill, purchase your books or buy your shampoo, laundry detergent, etc.

You and your employer arrange your hours around your class schedule and around times you need to study (midterms, final, etc.). Many employers allow students who do not have assigned tasks on a particular day to study on the job. However, if you have a work-study job, your main purpose is to assist the department you work for in its daily routine.

FROM CAMPUS MINISTRY:

HALLOWEEN HAUNTED CAMPUS:

Our annual **Halloween** event is just around the corner! Start making plans now to join the fun. On Halloween Night our Doheny Campus becomes a **"Haunted" Campus!** Mark your calendars **NOW!** Many of the children in our neighborhood are unable to "trick or treat" because of the many dangers/risks that are present here. We invite these young children to come to our campus and enjoy a safe and fun Halloween. The children walk from house to house and "trick or treat" and play games along the way. It takes the involvement of all of the students, faculty and staff to make this a success. Last year over **600 children** haunted our campus!

Please start picking up an extra bag of candy as you go through the grocery store. It is also time to start "brewing" some plans for **decorating** the houses/buildings, and creating games for the little ghosts and goblins to play along the way.

NOTE: **This Halloween event will be filmed this year by the Charles Kuralt Show. They will be focusing on students giving service to the community.**

Filming for the Charles Kuralt Sunday Morning Show will take place on OCTOBER 31, NOVEMBER 1 and 2. The cameramen will be filming students in class, in dorms preparing for the "Halloween Haunted Campus," at various volunteer activities, etc. They want to see you as you are--so just try to ignore the cameras unless you're asked to do something specific by Nancy Taylor, Director of Public Relations. Just act natural, even if you're asked to "pose."

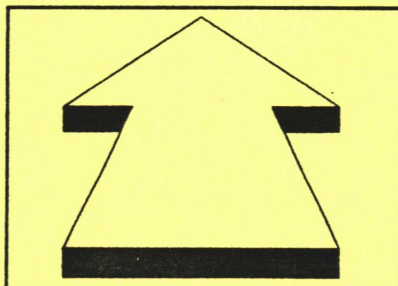

The crew will also most likely be returning in November, and the show is scheduled to air on national television the Sunday after Thanksgiving.

We'll keep you updated.

The Cultural Events Committee announces that Siena Day this year will be Wednesday, March 20, at the Doheny Campus. Former Sociology professor, Mimi Simson, and her daughter, Michelle Plotkin, will be giving a presentation entitled "The Mother-Daughter Connection." The Day's schedule will be lunch from 12:00 to 1:00; the presentation from 1:00 to 2:30; and the regularly scheduled Faculty Meeting at 2:30, all at Doheny. It is hoped that this earlier date for Siena Day will avoid the end-of-semester crunch and better serve the purposes of **HORIZONS** and **SIENA** days to bring us together as a college community once a semester. Begin now to plan for a stimulating event, and expect more information soon.

Applications available in the Financial Aid Office. Deadline is May 3, 1991.

FROM STUDENT DEVELOPMENT (CHALON):

Get ready for **CAREER DAY!!** **ALL DOHENY STUDENTS** are especially invited to come and ask questions about jobs, internships, and graduate schools. Don't miss it: Wednesday, February 20th, 12:00-3:00 p.m. in the Campus Center. Sign up for **CAREER DAY** by calling 471-9515 (or Ext. 9515), or send a note to box 114 Chalon.

If you need transportation to **CAREER DAY** at Chalon, sign-up in the A.S.B. office by Friday, February 15, 1991.

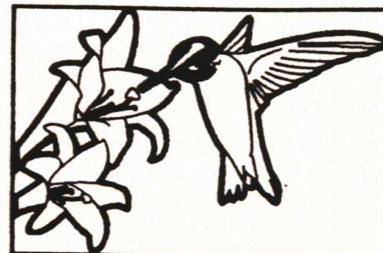

FROM THE COUNSELING OFFICE:

Counseling Hours: Tuesday, Thursday and Friday 9 a.m. to 1 p.m.

Drop by and get acquainted. Flora Golden, Bldg. 7, Office #5, Ext. 2272.

PREPARATION FOR LENT:

A PAGE A DAY FOR LENT. This little Lenten pamphlet was put together by the Sisters of St. Joseph of Carondelet. It offers short, prayerful reflections for each day of Lent. (Lent begins February 13). Available in the Learning Resource Center for \$3.00 a book.

FOR YOUR INFORMATION**I.D. CARDS:**

Students are reminded that they must have a current Doheny I.D. card for identification on campus (in Food Service, in Library, for late night entry, as well as for some discount opportunities). Cards may be obtained this week in Office 4, Bldg. 7. Please be sure to get yours. (A replacement I.D. costs \$2.)

BUS PASSES:

Those students wishing to get an RTD Bus Pass will need an application form from Office 4, Bldg. 7. At the moment, the new forms for second semester have not arrived, but watch for a notice on the 48-Hour Board so you can get yours.

48-HOUR BOARD:

This is a reminder and a request: The 48-Hour Board is a communication channel for faculty, staff and students. It should be checked daily just in case something has your name on it. However, it is important that those putting up notes/notices remember that they are to remove the items not claimed within 48 Hours! Of late, the board has been cluttered with unretrieved items some even from last semester. When an item is not claimed, perhaps you can try another method.

It is also important that people not pick up notices for others. In the past, things have been lost because a "Good Samaritan" meant to give the note to a person but forgot or lost it.

This has always been a good means of communication for all of us. Let's try to use it correctly. (If there are problems, please let us know.)

LES MISÉRABLES:

As you might have read, the "World's Most Popular Musical" is back in town at the Pantages Theater. Because of its limited engagement (only until Mar. 9), it is difficult to get group discount tickets. However, a limited number of student seats at just \$16.00 (!) are available for performances Tuesday-Thursday. Students may purchase in advance at the Box Office (6233 Hollywood Blvd.) with a valid identification. Your Doheny I.D. card should do it.

FROM THE ADVISEMENT CENTER:

We welcome our new peer advisor, **MAGGIE MORA**, and welcome back **MARILYN HUFF**, **DIET KEP**, and **SANDRA MURCIA**.

The Advisement Center will NOT BE open on Mondays 1:00-2:30, Tuesday 10:30-12:10, Wednesday 12:30 -2:30, Thursdays 10:00-12:00.

THE ADVISEMENT CENTER HOURS ARE:

MONDAY,	8:30-12:30;	2:20-4:30
TUESDAY,	8:30-10:00;	12:10-4:30
WEDNESDAY,	8:30-12:30;	2:20-4:30
THURSDAY,	8:30-10:00;	12:00-4:30
FRIDAY,	8:30- 1:00;	1:20-3:00

THE ADVISEMENT CENTER BULLETIN BOARD in Bldg. 4 is for the use of advisors and the Advisement Center only. Check the board for notes from your advisor.

FROM CAMPUS MINISTRY:

Ash Wednesday begins the season of Lent, a time of preparation for the celebration of Easter. Many people talk about "giving up" something...candy, smoking, etc. Lent, however, is a time for us to focus on, and deepen our understanding of what *reconciliation* means in our lives in 1991...particularly during this time of war. It is a time to take action...a time to improve relationships, a time to take increased responsibility for improving our environment, a time to encourage policymakers to bring peace and justice to bear on international relations.

During this period of Lent, we are each invited to reflect on what our own change of life will be in our relationship to God, one another, and God's world.

ATTENTION ALL STUDENTS!

Do you like to sing? dance? share your talents? Then be a part of **SPRING SING 1991**. This year's theme is "Anything Goes!" so there are no restrictions on what you can do. For more information, contact Allison Turner, Box 314, Chalon.

MAP MISSING!

A large National Geographic World Map, 1988 ed. (political on one side and endangered environment on the other side) is *missing from Room 206B*. It was attached to the chalk board along the hall side, NOT in front (that one, small and old, is still on the cork board...) If someone needed to borrow it, please return it to Sister Rose Leonard or leave it in the **Advisement Center**. If anyone has seen it since it ..."left"... Room 206B, *please help in getting it returned*.

Thank you!

FROM THE DEAN'S OFFICE:

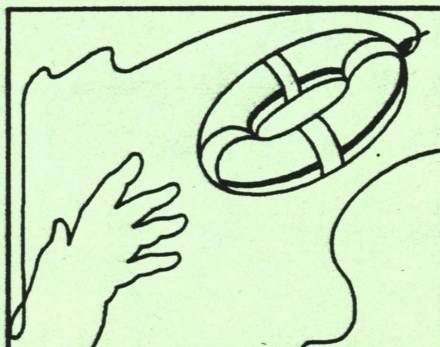

During this "pre-Mid-Semester Exam" period, students experiencing academic difficulty may be receiving "S.T.E.P. Notices" from instructors. These informal warnings are meant to indicate potential grade-threatening problems in such areas as study habits, attendance, attentiveness in class, etc. If you receive a S.T.E.P. Notice, *talk with your instructor* about the problem you are experiencing—that's the purpose of the Notice. This is an opportunity for you and your instructor to work out any academic difficulties you are having in time to improve your grade before the Mid-Term Examination.

WHAT IS SIENA DAY?

For the past decade, the Mount has traditionally celebrated two all-college events each year. HORIZONS DAY occurs in the fall semester at Chalon, and SIENA DAY takes place during spring semester at Doheny.

Siena Day draws its name from St. Catherine of Siena. And who was this woman, whose name has become an annual trademark at the Mount?

Catherine was born in 1347, in Siena, Italy, and died on April 29, 1380. Since her canonization of sainthood by the Catholic church, Catholics celebrate the date of her death as her feast day. During her brief thirty-three years, she lived a full life and used her God-given talents among her large family, the poor and sick of Siena, people who came to her for advice and spiritual direction--both men and women: artists, musicians, politicians, soldiers, lawyers, Church leaders. Above all, she valued prayer and her relationship with God.

According to Sister Magdalen Coughlin, former president of Mount St. Mary's College and the initiator of Siena Day,

Catherine of Siena lived deeply and fully in a time not unlike our own. She engaged in issues with the fearlessness and candor of intelligence and deep commitment to God...

Our "Siena Day" each spring is intended to highlight the importance of developing and using one's potential for one's own time--but in a way that contributes positively to many--and to all time.

This year, to avoid the end-of-April rush of activities, Siena Day has been moved to March 20, which appropriately occurs during National Women's History Month. Our two presenters--Mimi Simson and her daughter, Shelley Simson Plotkin--are, like Catherine, women of their time. They, too, value their family, professions, people who seek their advice, and the role God has in their lives. On Siena Day, they will share their personal journeys as mother and daughter--as women. Watch for more detailed information on Siena Day posters and flyers regarding THE MOTHER-DAUGHTER CONNECTION.

FROM THE ATHLETIC DEPARTMENT:

The Athletic department needs your help! We are holding the Turn of the Century Tour and Tea on Sunday, March 10, 1:00 p.m. - 6:00 p.m. This is a major fundraiser to support the program and equipment needs of the Athletic Department. We need volunteers for parking attendants, dishwashers, tea servers/table bussers, hostesses, tour guides (tour guides require training), and anyone who can lend a few hours for the support of athletics. Call immediately (Ext. 8-9514) to sign up with Kari Wolfe, Director of Athletics.

The Mount is currently entering into a year-long process to prepare for our 10-year accreditation visit, which is scheduled for March 1992. It is important that all members of the Mount community are informed about what is involved in an accreditation visit, and that as many people as possible actually participate in the process.

Since the Mount exists for the purpose of education, and since students are at the center of the Mount's life, this article is to let you know what is happening, and how you can become a part of it.

The word right now is "WASC" -- standing for the Western Association of Schools and Colleges, the accrediting agency for the western region of the United States. Our preparation for the WASC visit a year from now consists primarily of a self-study, involving the entire Mount community, to look at ourselves in the light of the nine WASC standards of excellence in college education. This self-study is now getting underway, propelled by task forces composed of a cross-section of the Mount: faculty, administration, staff, students.

On the back of this page is information to show how we are getting our self-study organized. A steering committee has been formed to give leadership to the self-study process, and the membership of that committee is listed. The steering committee has set up task forces to address WASC's nine standards. Look on the back of this page for the list of task forces, with names of those chairing the groups.

Task forces are currently putting together their membership, and it is essential that students be part of these groups. As members of the steering committee, we are inviting you to become involved.

If you would like to serve as student member of any of these task forces, please give your names to Sophia Diaz or Maria Avila within the next few days. They will then be able to put together a list of interested students from which task force members can be chosen.

Most of the task force activity will be during this spring semester and part of the fall semester.

This self-study is a wonderful opportunity for the whole Mount community to look at what we are, what we want to continue and make better, and what we may want to change as an excellent Catholic college for women moving into the 21st century. Please get involved!

WASC WANTS YOUR IDEAS

Earlier in Doheny Happenings there was an explanation of the self study the College is undertaking for accreditation. Your input on this is needed especially in the areas of campus organizations, advisement, recreational and athletic activities, career services, health care and counseling services, financial aid, student housing, bookstore, food service, safety and security. Sr. Carol Brong will meet with all students (residents and commuters) on **Tuesday, March 26, at 2:30 p.m.**, in Donohue to get their input.

This self study is a wonderful opportunity for the whole Mount community to look at what we are, what we want to continue and make better, and what we may want to change as an excellent Catholic college for women moving into the 21st Century.

ATTENTION COMMUTER STUDENTS!

There will be a meeting for commuters on Thursday, March 21, at 12:00 noon, in Carondelet Center. We will be discussing important issues. **COME AND JOIN US!**

FROM THE FINANCIAL AID OFFICE: **ATTENTION GRADUATING STUDENTS !**

If you have borrowed a Stafford Loan (GSL), or SLS at any time during your education at MSMC, the federal government requires that you attend a Loan Exit Interview before you graduate. We will hold these interviews in a group workshop format with local lenders participating to answer your questions. In these sessions, you will receive information on the total amount in loans you personally have borrowed, who you must repay, what your approximate payments will be, and all kinds of other useful information pertaining to transferring to other schools, deferments, etc.

It is mandatory that you attend one of these workshops, so please find one to attend at your convenience at either campus. *Failure to attend a workshop may result in a withholding of your transcripts needed for graduation!* Please let Didi, Financial Aid Loan Coordinator at Chalon, or Deanna, the Financial Aid Counselor at Doheny, know which one you plan to attend (you may always switch if something comes up, but this will give us an idea as to how many packets to prepare for each). Thanks!

(LOCATIONS will be posted at the Financial Aid Offices of each campus.)

Thank you also to all who wished us a *Happy Feast Day!* You are *each* very special to us and we are grateful to you for your contributions to our campus community.

And to all of you, a wish for a restful, reflective, and *Happy Easter!* Easter is a time for reconciliation—with God, ourselves, and our families. Use this time to renew your faith as well as dedication to your personal goals.

FROM PI CHI EPSILON:**ACT NOW**

Phi Chi Epsilon, the Early Childhood Education sorority, will be sponsoring a **BAKE SALE** *today*, Monday, March 25th, from 11 a.m.-4 p.m. in front of Bldg. 4. This bake sale will help raise money for those club members who will be attending the Legislative Symposium in Sacramento on April 2-4. Come by and grab some munchies!

Even if you cannot sponsor a child, please come by and cheer the athletes on! We need as much support as we can get.

ASKING FOR LETTERS OF RECOMMENDATION

Faculty members are happy to write letters of recommendation to help you obtain a scholarship, a job, an internship, or acceptance at a graduate school. but remember that, when you ask for one, you need to observe a few points of courtesy and thoughtfulness.

1. GIVE INSTRUCTORS ENOUGH TIME TO WRITE YOUR LETTER.

They are glad to help you, but dropping off an address in the morning and saying that the deadline for mailing is that afternoon is not only unfair to the instructor but disastrous for your chances of getting what you're applying for.

2. GIVE INSTRUCTORS YOUR FULL NAME.

Your form may be the fourth one received that day, be sure your full name is on it and that you've filled in all the appropriate blanks.

3. LET INSTRUCTORS KNOW WHY YOU NEED THE LETTER

Is it for a scholarship, internship, job, acceptance to graduate school? It makes a difference for the person writing the letter.

4. REMIND INSTRUCTORS ABOUT YOUR ACTIVITIES AND ACCOMPLISHMENTS.

Your history or chemistry teacher may not know about your ASB involvement or your volunteer work at Juvenile Hall, so jot down this information for them, and your letter will be much more interesting and more descriptive of you.

5. PROVIDE A CLEAN, FRESH, ADDRESSED, AND STAMPED ENVELOPE.

You don't want your letter to arrive in a tacky envelope because that will reflect on your personality. If an instructor takes time to write a recommendation, you wouldn't want them to spring for the postage, would you?

MULTICULTURALISM?

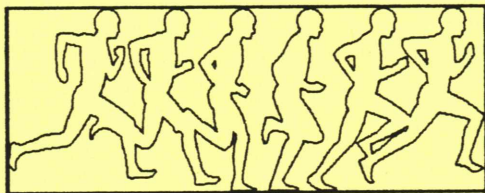

Our world is many cultures. American education has traditionally focused on the mostly Western European cultures of early American immigrants. This Euro-centrism has left us largely ignorant of the rich and diverse contributions of the cultures of many other immigrant and native Americans. Our nation

is now involved in an educational revolution. Educators are striving to formulate new courses that embrace the histories, philosophies, arts, and characteristics of the many cultures that comprise the pluralistic society that is America.

On **WEDNESDAY, APRIL 24**, from 1:00-2:00 p.m. in the Rumpus Room (Chalon), the Curriculum Committee of Mount St. Mary's College is sponsoring a **STUDENT-FACULTY FORUM ON MULTICULTURALISM**. The goal of this Forum is to learn more about each other. There will be a slide-show and presentation on **MULTICULTURALISM IN THE VISUAL ARTS**, a display of **BOOKS and OTHER MEDIA ON MULTICULTURAL SUBJECTS**, and a **SHARING OF IDEAS**. The Forum will be held in conjunction with the **ASB Multicultural Fair**. Come celebrate at the Fair, come learn about the revolutionary happenings at Mount St. Mary's College and about the **Knight/Ford Grant** that is helping to make them possible, and **COME SHARE YOUR IDEAS OF WHAT YOU'D LIKE TO SEE HAPPEN AT MOUNT ST. MARY'S COLLEGE**.

FROM THE ASSOCIATED STUDENT BODY:

The Associate Student Body of Doheny presents **"BLOCK PARTY 1991"**. To be held Friday, April 26, 1991 from 8:00 p.m - 1:00 a.m. on the tennis court.

admission is \$5.00.

Admission for MSMC students is \$3.00. Regular

ASB is also selling **"BLOCK PARTY"** T-shirts for \$13.00. There are only a limited amount of T-shirts being sold. **GET YOURS SOON!**

Summer School:

If you are planning to attend a SUMMER SCHOOL other than MSMC, you need to do several things before registering for your class(es):

1. Decide what you want/need to take and where you will take the class(es).
(Ordinarily, a student does not take more than 6 units in summer.)
2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. The 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions (unless a 2 session plan) begin around June 2. Phone the college(s) of your choice & ask them if the course(s) will be offered: if the registrar can't answer, try the department; also, ask them to send you a class schedule of Summer Session. (These are not available in the Advisement Center.)
3. Get a Transfer of Credit Clearance form from the Registrar's Office / Advisement Center. "A student....must file a Transfer of Credit Clearance with all approvals....prior to registration in the course for which approval has been obtained." This is an excerpt from the catalog. The entire policy regarding taking classes elsewhere, after enrollment in MSMC, is found on page 56 in the 90-92 catalog; PLEASE follow the policy.
4. CHECK with your Advisor/Advisement Center to be SURE that the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.
5. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.
6. In filling out the section for title and course number, please fill it out CORRECTLY. The title space is NOT the course number and the course number space is NOT the index or section number. For example: Business Law I is the title for the L.A. Community College where it's being offered and the course number is Bus 5 NOT 11642. In most community college class schedules, the title of the course and the course number are at the top of the listing and section/index number is below with the days/times. If you need assistance filling this out please ask someone in the Advisement Center.
7. PLEASE BE SURE TO DISCUSS WITH YOUR ADVISOR YOUR PLANS; do not presume that you may take classes off campus.
8. BEFORE bringing the form to the Advisement Center, make sure you have ALL of the necessary signatures; Be sure that you do paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement and, then, signed by the Dean of the Campus, you cannot be sure that the course is approved.
9. If you cannot do the necessary paperwork before May 10, you may do so when the information is available; However, Sister Rose Leonard will not be available to review forms, answer your questions, etc. until June 3. After June 10, phone ahead to be sure Sister is on campus. Sister will definitely be off campus June 17-21; Please DO NOT WAIT UNTIL the 24th.

Thank you for your assistance in processing the Transfer of Credit Clearance forms.
PLEASE SAVE THESE DIRECTIONS for future use.
